

Karen Parry

My Experience

- I have worked with disabled children, young people and adults in lots of different jobs
- I have managed different types of organisations
- I have set up and run my own charity
- I have written funding bids and run lots of different projects

I Enjoy.....

- Swimming in the sea and in lakes all year round
- Travelling, seeing the world and meeting lots of different people
- Being outdoors, camping and cycling

My Skills and Knowledge

- I studied at university for a long time, and know a lot about equality and inclusion
- I trained to be a teacher and have delivered lots of training
- My main subjects were art, music and drama

What is important to me

- Everyone being treated equally
- Respect and trust
- Seeing everyone as an individual with skills and talents
- Working together as a team

What people say about me

- I am always optimistic and positive
- I listen to people
- I think carefully before I make a decision
