

**Samantha
Jamieson**

I Enjoy.....

- Listening to music
- Spending time with my family and pets
- Doing creative projects like drawing, scrapbooking and crafts.

What is important to me

- Honesty and respect
- Everyone being treated fairly and equally
- Learning, I am always keen to learn more
- Listening to others

My Experience

- I have autism and so do both my sons and my nephews.
- I work alongside people with a learning disability
- I have volunteered with a local autism group for over 15 years
- I attend Care and Treatment Reviews as an expert by experience
- I have managed different businesses and owned a business

My Skills and Knowledge

- I have delivered lots of training about autism and learning disability.
- I taught myself photography
- Doing different jobs has made it easier for me to fit in when meeting new people and starting new tasks

What people say about me

- I am a good listener
- I am open to new ideas and options
- I am hardworking and work well in a team
