

Name: Kay Kirk

My Experience

For over 25 yrs, I have worked with vulnerable people within the community. As an expert by experience I have attended Care Education and Treatment Reviews (CETR's) over 12 years.

I currently attend the Learning Disability Partnership Board at Doncaster as a carer.

I Enjoy.....

Walking

Yoga/History

Earl Grey Tea

Visiting the coast

Holidays to warm places

With my son and friends

My Skills and Knowledge

I am a carer for my son who has a learning disability, moderate autism and Addison's Disease which is a rare potentially life-threatening condition, I have previously worked within the community with people with a learning disability, autism and mental health who may challenge.

What is important to me

My son, my sister and close friends I have known for over 40 years.

People to have choice, a voice and to be listened to. Person centred planning, annual health checks, to be able to speak up.

What people say about me

I am passionate, resilient, reliable, hardworking, fair and a good friend.
