

Craig Kennady

I Enjoy.....

Supporting others.
Making a difference.
Transport
My family
Being a voice for others
My work

What is important to me

Making a difference to others
My work
That I have a voice and I am listened to

My Experience

Having been diagnosed late in life at the age of 26 I was able to support my son get a diagnosis of autism.

I have been working with parliament since 2016 supporting and making the life of people with neuro diverse conditions better and how to support them.

I am also a carer.

I joined Inclusion North in 2018 as an expert by experience.

My Skills and Knowledge

I have lots of varied experience:

- Working around schools
- Adult Social Care
- Health Service
- Research knowledge.
- Keeping up to date with legal legislation.
- Advocacy
- Children's services and support
