Reading the Covid news
for Inclusion North

What is important to me

Listening to people
Being understanding
Kind and caring
Family and friends
People being given a
chance

My Experience

I have a mild learning disability,
but only got diagnosed at the age
of 21.
I have lots of experience as part
of a Care and Treatment Review
panel.
I am an Enter and View
authorised representative for
Healthwatch Derbyshire.
Visiting health and social care
settings to see how they are
working and making suggestions
for improvement.

My Skills and Knowledge

I am able to ask the right
questions at the right time
Good communicator
Approachable
A good team player
