My Experience

I have a 19 year old son with very complex needs, I have been an expert advisor since 2016.

I work as part of the Hub team.

I am independent, and I am there to ask sometimes probing questions about the safety, current care and plans for the future of individuals who may be in an Assessment and Treatment unit.

My Skills and Knowledge

Positive campaigner, Chair of Trustees for local Autism charity
Co-Trainer with The Challenging Behaviour Foundation.

10 years working as a personal assistant for a young lady with complex needs, School Governor.

My expertise is children, but also in the area of adults as well
Autism, Learning Difficulties,
Mental ill health.
