

We are all citizens pledge

It is people's right to have support to become a real citizen.

Respected - get respected from those around you.

Equal - citizens all have the same worth or dignity

Different - people bring many different talents and gifts which, together build a better world.

Citizenship is something we build - together - for each other.

Let's make this happen!

Name/Organisation:.....

pledge's to support and raise awareness of citizenship. To support the use of the "We are all citizens" workbook and to help people have real citizenship.
