

Tina Cook

I Enjoy.....

Being with my friends

Walking and riding my bicycle

Looking out for birds and nature

I play the piano accordion in a ceilidh band this is lots of fun

What is important to me

Inclusion and learning how to support people with a learning disability to improve the way services are run and society behaves.

My Experience

I have been involved with people with a learning disability and their families for over 35 years.

Running a preschool service for children with special needs and their families.

Trustee of Lawnmowers Theatre Company in Gateshead.

Professor in the Department of Disability and Education at Liverpool Hope University

My Skills and Knowledge

Writing research bids and doing lots of research with people with a learning disability.

Making sure research is done with people and is inclusive.

What people say about me

Kind and listens to people.

Stands up and lives her values.

Knows lots about how to find out good information.
