

Northumberland
Day Opportunities Review
Feedback from Family Carers

I am currently working in partnership with Northumberland County Council to **review the day opportunities for people with a learning disability and autism**. We are aiming to better understand what is available, identify what is working well and consider how this reflects the aspirations of people and their families.

We would welcome your feedback in relation to this.

1. How old is your family member?

2. In what area of Northumberland do they live?

3. What does your family member currently do during the day, evening and weekends? (Please also note any services they might access)

4. What opportunities would you like to see available for your family member?
Please note all that would be potentially of interest and describe what you
would like them to offer.

Employment

Education

Day service

Voluntary work

Leisure

Other (please detail)

5. Are you aware of places currently offering such opportunities?

6. Do you have any further comments, additional considerations?

Thank you

Please return by 15th April to kirsty@inclusionnorth.org
