

Adrian Barnes-White

My Experience

I'm autistic (late-diagnosed).

I have over 25 years' experience working in the areas of disability, health & social care, mainly for councils & in the voluntary sector

I am a member of my two local autism partnership boards.

Working with a wide variety of people.

I Enjoy.....

Time with my family

Our cats

Books, TV & films – mainly science fiction & thrillers. And comic books!

Visiting historic buildings & museums

Football & rugby

My Skills and Knowledge

Practical experience of local councils and the voluntary sector.

I have worked with organisations on their development & developing plans for funding bids.

I have written & delivered training on various subjects.

What is important to me

Equality

Fairness

Inclusion & Involvement

What people say about me

Passionate & committed.

I am always honest about what is possible - & what isn't!

When working on something I am thorough and precise.
