

# 22<sup>nd</sup> October 2021

## Inclusion North News

Inclusion North will share an important news story and tell you about their own work here every two weeks.

### In the news this week

The number of people with covid is rising again.

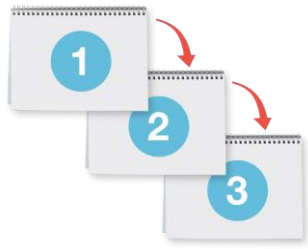

Lots of people and organisation's are asking the government to change the rules to plan B.

### This would be :

- Communicating to the public that the level of risk has increased, and to think more about where you go and who you are with.
- Introducing Covid passports
- Making it law again for people to wear face coverings
- Telling people to work from home where possible

We will update you if the government decide Plan B is going to happen.

## News from Inclusion North

### Our 3 year plan

The team met all together to think about a 3-year plan for Inclusion North.

We got the chance to think about all the big issues that people, families and our partners have experienced.

We spent time thinking about the work Inclusion North wants to focus on in the next 3 years to make the biggest difference.

### Welcome

We welcomed Emily to our team.

She will be part of a team with Dawn and Becki to design and lead some exciting leadership opportunities for people in North East and Yorkshire and Humber.

This work has been funded by Henry Smith for 3 years.

We will be sharing more of this work with you in the new year.
