Inclusion North News

Inclusion North will share an important news story and tell you about their own work here every two weeks.

Annual Health Check video

Derby and Derbyshire Clinical Commissioning Group have made a video about annual health checks.

This video was made with people with a learning disability and families, and our very own news reader and expert by experience Denise is in the video.

You can find the video on You Tube. It is called The Learning Disability Annual Health Check video.

Northgate Hospital Mural

People staying in the mental health and learning disability hospital Northgate have worked on a great project with an artist called Eric Rothwell.

On an outside wall in the courtyard, they have designed and painted a big piece of art. This is called a mural. It is a brighter space and the aim is to have a positive impact on people's wellbeing.
