Online Survey

The Gateshead Learning Disability and Autism Plan aims to improve and develop support and services for people with a learning disability, autistic people and their families living in Gateshead.

Health and Social Care partners responsible for the plan want to know what you think should be in this.

The Insights Network has prepared an online survey to start gathering your thoughts and ideas about the plan.

Please share these using the survey which you will find here: <https://www.rixeasysurvey.org/kiosk/Z9Em>
