Inclusion North News

Inclusion North will share an important news story and tell you about their own work here every two weeks.

New people working for Inclusion North

We welcome 3 new people to our team.

Daniel is an Administrator. He has lots of experience working in administration and with computer problems with a local authority.

Lisa is an Administrator. She has lots of experience working in administration in not for profit organisations.

They will join Melissa and Rachael in the office team supporting the work in Yorkshire and Humber and the North East.

Beth is the Hub Coordinator. She has lots of experience working with disabled people.

Beth will be working with the experts in the hub and coordinating the work that they do when people with lived experience are needed.

Take the Lead Level 2

Our Take the Lead leadership course had its residential session in Newcastle in January. They learnt all about disability history, laws and national policy.

Suzie Fothergill was the guest speaker who talked all about disability history and shared her story about being in hospital.

Here is some of the feedback from the learners who were on the course

- I felt safe and happy staying in the hotel
- Dawn is very good at working out quickly how to teach me something I did not understand with an activity
- I have made some new friends and felt I could speak up and share my opinion without being judged

We will run more courses in the North East and Yorkshire and Humber in the future.
