

Beth Reavette

My Experience

I have worked in supportive roles with people who have disabilities, autism, mental health problems, behavioural and emotional difficulties.

The areas I have experience in include-

- Support worker in specialist college
- Charity for poorly children
- Domestic abuse charity

I Enjoy.....

- Baking
- Going out for food
- Watching TV and films
- Pub quizzes
- Yoga
- Walking the dog
- Cooking new things
- Being with friends

My Skills and Knowledge

I am aware of the many challenges people with a learning disability and autism face in society.

I enjoy working as a team and communicating with people.

I have worked in a variety of roles with people with lived experience and advocate for them.

What is important to

- Giving people a fair chance
- Helping and supporting people
- Looking after wellbeing
- Being compassionate and kind

What people say about me

- Have a positive attitude
- I'm friendly and chatty
- A good baker
- I'm laid back
- I am caring
