My Experience

I have worked with communities, young people, and people with a range of needs for over 25 years

This includes:

- Involving people in creative activities and opportunities
- Working in schools, youth and community spaces
- Setting up a charity to engage young people and adults with additional needs in a choir

I Enjoy.....

- Music and gigs
- Photography
- DJ-ing
- Nature
- Volunteering
- Wearing big earrings
- Cake and chocolate

My Skills and Knowledge

- Project management
- Co-producing activities and events with, by and for the people taking part
- Fundraising and managing budgets
- Working with people from diverse backgrounds and with varied needs and wants

What is important to me

- Family and friends
- Listening and learning
- Speaking up
- Having fun

What people say about me

That I'm...

- Passionate
- Care about people and the world
- Creative
- Bring a sense of fun
- Can be really silly
