# **Autism and Learning Disability Citizenship Boards**

February 2024

### **Who is Inclusion North:**

Inclusion North exists to make inclusion real for all people with a learning disability and autism.

We do this by working with people with a learning disability, autism, family carers and organisations that support them.

### **Our work:**

We work to change society so that everybody with a learning disability and autism can live as full, active, and equal citizens.

This means changing the way people think, and the way things are done.

### **About the citizenship board:**

These roles are for people with lived experience of autism and/or a learning disability.

We will need you to use your lived experience to help others to have a voice and to plan and deliver good services, and to improve the way things are done.

## About being a citizenship board member and the pay you will get:

All members will be paid an involvement fee for each meeting they attend. This is £75 per meeting. There are 4 meetings each year.

You will be part of a bigger team working together across the region.

This form is for you to tell us a bit about why you think you think you will be good for this role.

You can also send us a voice recording or a video film that answers these questions if you prefer.

Please send back your answers to Kimberly Bellhouse
