Citizenship Conference

On 8th February 2024, our Citizenship Team had a conference in Sunderland.

Lots of people came, including experts by experience and people who work in health and social care.

One of the speakers was Levi Buckley from the Integrated Care Board. He talked about including the voices of experts by experience in plans for the Integrated Care Board.

Two of the speakers were Simon Duffy and Wendy Perez, who talked about the 7 keys to citizenship and their new book.

Twisting Ducks sang songs. The words of the songs were taken from some of the feedback that experts by experience had shared with the Citizenship Team.

We got some good feedback from the people who came to the conference.

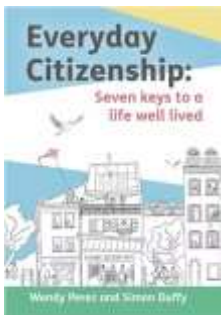

People used these words to describe the conference:

- Cool and fun
- Learning
- Empowering
- Friendly
- Community
- Hope

The 7 Keys to Citizenship

The 7 keys to citizenship are love, freedom, money, home, help, life, and purpose.

Simon Duffy and Wendy Perez have written an easy-read book about citizenship.

The book is called 'Everyday Citizenship'.

We would like to say a big thank you to our Citizenship Team for planning such a brilliant conference and for all of their hard work.
