General Election News

People voted in the general election on Thursday 4th July 2024.

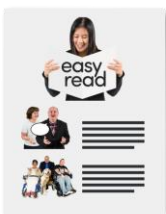

The Labour Party won the election. They had the most votes.

This means that there is a new Prime Minister for the United Kingdom. His name is Kier Starmer.

Kier Starmer and the Labour Party made a list of the things they would do if they were in charge. This is called a manifesto.

You can find an easy-read copy of the Labour Party manifesto on the [‘My Vote My Voice’](#) website and the [Labour Party website](#).

In their manifesto, the Labour Party said they would:

- Spend money carefully, help the United Kingdom to have more money, and help people to get jobs and be supported at work.

- Look for better ways to get our electricity and heating to save the environment. They want to make sure our water is clean and safe.

- Make communities better and safer for everyone.

- Make sure that everyone in Britain has the chance to do well.

- Fix the NHS so it works well for the future and give people better support from social care.

- It is now up to Kier Starmer to make sure that the Labour Party does a good job of doing the things they said they would do.

- After the elections, the area you live in might have a new MP (Member of Parliament).

- The MPs for all the different areas of our country, work together with the Prime Minister to talk about and agree how to run the country.

You can contact your local MP if there is a problem with something that the Government is in charge of. Things like:

- Hospitals and the NHS
- Benefits
- Schools
- Transport

You can find out who your local MP is, and how to contact them, by going to the '[They Work for You](#)' website or the '[UK Parliament](#)' website.
