Inclusion North News

Inclusion North will share an important news story and tell you about their own work here every two weeks.

Racial Equality

Inclusion North is working to improve race equality in our organisation.

We want to make sure that all people feel like they belong at Inclusion North no matter what their background or colour of their skin.

We want to make sure all people have a positive experience of working here and that they feel safe to be themselves.

We want to make inclusion a reality for Black, Asian and minority ethnic people who are autistic, have a learning disability or are family carers.

Inclusion North is writing a Race Equality Policy to help with this work.

It will include

- Explanations of different ways that racism impacts on people.
- How we will give people from Black, Asian and minority ethnic backgrounds the opportunity to be involved in all parts of Inclusion North and its work.
- The ways we will train staff and volunteers around race equality.

Wellbeing tip

It is important that we build our self-confidence and feel comfortable with who we are.

List 5 things you like about yourself that you are proud of. For example

- 'I always try to be kind to others'
- 'I am good at standing up for what I believe in'
