Inclusion North News

Inclusion North will share an important news story and tell you about their own work here every two weeks.

Take the Lead

Hello we are Dawn and Kirsty; we are the Leadership Coaches at Inclusion North.

Kirsty is covering Becki's maternity leave; Becki is also a Leadership Coach.

Our role is to design and deliver the Take the Lead course. The course is for people with a learning disability and autistic people.

The course is all about building people's confidence and giving them the skills to speak up for themselves and others.

Dawn really enjoys delivering the course because she loves to see how people's confidence grows over time.

Dawn says that her own confidence has grown too and her computer skills.

Kirsty enjoys the different course levels and meeting the learners on the course. Each person has brought something different to the course and we have all learnt together.

Rebecca is one of the Regional Managers at Inclusion North and she is also part of the Take the Lead team.

Together we all work really hard to make sure that the course is easy to understand so that everyone can join in and learn something new.

The Take the Lead team have really grown together, and it is such a great project to be part of.

We are all super proud of the work that we do and to be part of Inclusion North.

We have received some great feedback about the Take the Lead course.

"Thank you for the opportunity to be part of it and thank you to the excellent course facilitators for making all the learners aware that they are as important as anyone else."
