My Experience

Seven years at Council for Disabled Children from 2015-2022 attending conferences for professionals and young people with a wide range of physical and learning disabilities

Peoples Engagement Network

Inclusion North for four years attending meetings and understanding peoples experiences in hospitals and community.

I Enjoy.....

Speaking up for people who do not have a voice.

Improving peoples quality of life for the better matter where they are.

Listening to peoples thoughts and experiences about a range of topics.

My Skills and Knowledge

Working well with people.

Good listener

Getting knowledge from others.

Compassionate and empathetic.

What is important to me

Understanding peoples point of view and experiences whether they've been good or bad as well as finding out about services available such as advocates I haven't heard of or used.

Meeting lots of people from all walks of life all working towards the same goal.

What people say about me

People say I'm passionate, empathetic and very detail oriented.
