We are starting a new Youth group!

Young Voices - what is it?

Inclusion North want young adults from Yorkshire or Humberside aged 18 to 25 to have their voices heard in our work.

We want to know what matters to young people who are autistic or have a learning disability.

We are looking for 10 young adults to join a group. The group will mostly meet online.

You will sometimes meet in-person and take part in fun activities. You will help plan these activities.

We will pay for expenses such as travel.

We can also give you an involvement payment of £10 for every hour you take part.

This isn't the same as being paid for a job. There is no contract, and you don't have to come to every meeting if you don't want to.
