

**Do you care for an adult with  
profound and multiple learning  
disabilities AND epilepsy?**

**We want to hear your views.**

**North East and  
North Cumbria**

The North East and North Cumbria  
Integrated Care Board want to know  
more about epilepsy care for people with  
a learning disability.

They would like to talk to family carers  
and carers of **adults with profound

AND epilepsy**, to find out about your  
experiences.

## How would the meetings work?
