Inclusion North 20th Anniversary Awards Gala

Why this matters

Inclusion North works alongside people with a learning disability, autistic people and family carers to make sure no one is excluded. This Gala marks 20 years of championing inclusion across the North East, Yorkshire and Humber. It's our moment to celebrate the people and organisations making that vision real every day.

What to Expect

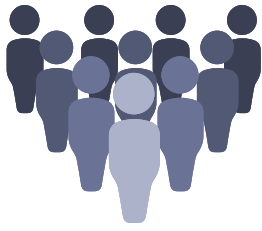

- Performances by artists with a learning disability or who are autistic (music, spoken word, dance).
- Awards for outstanding individuals, projects and organisations.
- Opportunities to network with providers, partners, advocates and commissioners from across the region.
- A celebration of inclusion, confidence and creativity.

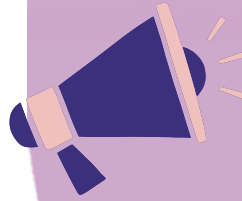

"No one has ever really seen me. Inclusion North did see me and my skills and knowledge. They gave me a job and helped me build my confidence."

Dawn Flockton, Leadership Coach
