### **Inclusion North Awards Dinner**

Inclusion North is having an awards and fundraising dinner on 14<sup>th</sup> November 2025 in York to celebrate 20 years of being Inclusion North.

These awards are co-produced with people with lived experience for people in Yorkshire and Humber and the North East.

This special event is to celebrate people, organisations, projects, people with a learning disability, autistic people, and family carers.

We are proud to share that there will be 10 awards on the night, including the Gary Stark Citizenship Award.

Gary was a brilliant self-advocate who was connected to Inclusion North for many years before he died in 2022.
